THE GENIUS OF GENDER: GOD'S GOOD GIFT OF THE SEXES – NOTES FROM TODAY'S MESSAGE:

The Church as God's Family

1 Timothy

If God is our Father through faith in Christ, that makes us all true brothers and sisters (Gal 3:26) – part of one global family, but also as we gather and covenant with one another locally, part of a local church family. And just as there are gender-based roles in the home, there are gender-based roles in the church.

I. Fathers in the church

A. those who protect (1:18; 3:2; Titus 1:9)

B. those who manage the household with humility and strength (3:4-5)

C. those who work hard in their service to the family (5:17)

II. Mothers in the church

A. those who respect the role of the fathers (2:11-12)

B. those who humbly commit themselves to good works and serving others (2:10; 5:10)

C. those whose hearts particularly go out to other women who need encouragement (Titus 2:3-5)

III. Relating to our church family members (5:1-2)

A. to older men

B. to younger men

C. to older women

D. to younger women

Next week: What gives us good courage in a world full of groaning? How do we face the season of Thanksgiving when we are in a personal season of suffering? Let us look together at 2 Corinthians 5:1-10.
